

STRED Consult Limited

in Ghana & Nigeria

Delivering Sustainable
Solutions for a Brighter Future

About Us

STRED Consult Limited, a West African management and sustainable development consulting firm since 2008, specializes in interdisciplinary solutions for agriculture, rural development, and economic inclusion. Recently expanding into Nigeria, STRED focuses on policy formulation and digital transformation to empower African institutions with innovative, evidence-based strategies.

Why Choose Us?

- Multidisciplinary team ✓
- Trusted partner to global institutions ✓
- Combines grassroots experience with high-level policy influence ✓
- Turns research into action ✓
- Deliver end-to-end solutions ✓

Global Expertise, Local Insight

Over 15 years of experience working with governments, UN agencies (FAO, UNDP, WFP), World Bank Group, USAID, and private sector clients

Tailored Solutions

Customized interventions to meet unique client needs, from cooperative farmers to multinational organizations

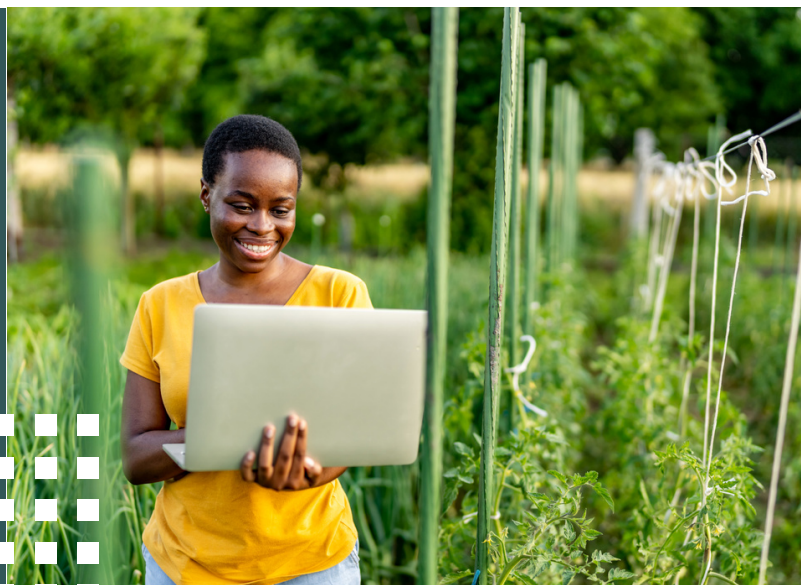

Commitment to Impact

Dedicated to fighting poverty, promoting financial inclusion, and protecting vulnerable groups (e.g., women and children in labor sectors)
